

FORGIVE FOR HEALTH MINISTRIES, INC

presents the

2024 Forgiveness, Population Health, and Equity Conference

Location: Hybrid/ East Point First Mallalieu UMC Church

2651 Church Street, East Point, GA

September 21, 2024

Theme: “*Forgiveness, Artificial Intelligence, Equity, and Peace*”

Objectives

- Define forgiveness, its benefits, and how it can help to promote healing and well-being.
- Share population health strategies for improving the health of African American moms and girls and other minorities.
- Articulate strategies for addressing poor or suboptimal care in the US health systems and provide tips for patients and other advocates for improving care.
- Discuss artificial intelligence, its benefits, and how it can be used to advance health equity and peace.
- Offer best and promising practices for healing after sexual assault, improving chronic disease management, nutrition, and budgeting.
